

Mumbai Continues to Dominate the Bar Industry in India

14 bars make it to the 30BestBars 2022 Top 50 list – More than double that of last year

As you know, we've been working with the entity [30BestBarsIndia](#), the country's only independent bar ranking and awards platform, which has just unveiled its 2022 edition of the Top 50 bars in the country. This year, due to a three-way tie, the list features 53 names – of which 14 bars are from Mumbai, more than double from last year's six.

With creative techniques and a stronger focus on each component that goes into a drink, Mumbai is spearheading cocktail culture in India and its high-quality restaurant bars are raising the standard of drinking experiences. From 6 bars in 2021's Top 50 List to 14 bars in 2022's list, the city is rapidly becoming a major hub for cocktail bars, restaurant bars, and lounges. What's more, new initiatives such as zero-waste drinks, unique garnishes and enhanced training programs have empowered Mumbai's bars to continue upping their game.

The bars and breweries in Mumbai that made it to the list of Top 50 Bars in the country, listed alphabetically, are -

- AER Lounge - Four Seasons Hotel
- Americano
- Bastian - Worli
- Ekaa
- House of Nomad - Taj Lands End
- Masque
- O Pedro
- PCO
- Perch Wine and Coffee Bar
- Slink & Bardot
